

CONFLICT VS. BULLYING

CONFLICT

- ▶ Equal power (peers)
- ▶ Happens occasionally
- ▶ Accidental
- ▶ Equal emotional reaction
- ▶ Not seeking power or attention
- ▶ Remorse
- ▶ Effort to solve problem

BULLYING

- ▶ Imbalance of power (or perceived imbalance of power)
- ▶ Happens repeatedly (or has the potential to be repeated)
- ▶ Purposeful
- ▶ Strong emotional reaction on part of the victim
- ▶ Seeking power, control
- ▶ No remorse – blames victim

Situations with both, Conflict or Bullying need to be addressed and a plan devised with consequences to fit the behavior.
