KYASRO also recognizes SROs and administrators who have demonstrated support for a safe and secure learning environment in their schools. These individuals are recognized at the annual conference in June.

Both applications will be available online at www.kyasro.org in mid-January. The deadlines for both the scholarship and award applications are April 15, 2016.

**Legislative Update**

The KYASRO board has a legislative committee that closely watches the legislative session and all bills that are filed that may affect law enforcement in schools. We will send out updates as needed. Right now there is a pre-filed bill to mandate training for school resource officers. Please see the attached draft.

**Christmas Award**

Bill Eckler, School Resource Officer at Madison Southern High School in Berea, KY. had the opportunity to present a $100.00 check from the Kentucky Association of School Resource Officers to the Family and Consumer Sciences Class at Madison Southern. They are working to raise money to support their Santa’s Workshop Fundraiser and in turn, purchasing Christmas gifts for local needy children. Mrs. Alexander and her students have been very busy preparing and selling breakfast to the staff at Madison Southern as they raise money for this very good
cause. Each year the Kentucky Association of School Resource Officers donates to a local fundraiser at Christmas. The award this year went to KYASRO region 6 (see the attached picture).

AN ACT relating to school safety and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

⇒ SECTION 1. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

(1) A school resource officer or school security officer as defined in Section 2 of this Act shall complete training provided by the Department of Criminal Justice Training as follows:

(a) Basic school resource officer training to be completed prior to working at a school site; and

(b) Advanced school resource officer training to be completed within two (2) years of beginning employment.

(2) A person who began working as a school resource officer or school security officer prior to the effective date of this Act and who has not completed the basic school resource officer training shall complete the training by August 1, 2016.

⇒ Section 2. KRS 158.441 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Intervention services" means any preventive, developmental, corrective, supportive services or treatment provided to a student who is at risk of school failure, is at risk of participation in violent behavior or juvenile crime, or has been expelled from the school district. Services may include, but are not limited to, screening to identify students at risk for emotional disabilities and antisocial behavior; direct instruction in academic, social, problem solving, and conflict resolution skills; alternative educational programs; psychological services; identification and assessment of abilities; counseling services; medical services; day treatment; family services; work and community service programs;

(2) "School resource officer" means a sworn law enforcement officer who has specialized training, as described in Section 1 of this Act, to work with youth at a
school site. The school resource officer shall be employed through a contract between a local law enforcement agency and a school district; and

(3) "School security officer" means a person employed by a local board of education who has been appointed a special law enforcement officer pursuant to KRS 61.902 and who has specialized training, as described in Section 1 of this Act, to work with youth at a school site.

Section 3. Whereas school resource officers and school security officers are a vital part of providing a safe and secure school learning environment for Kentucky's children, and the training of these officers is essential to the performance of their duties, an emergency is declared to exist, and this Act takes effect upon its passage and approval by the Governor or upon its otherwise becoming a law.
