

This year's theme is  
**"Our Safety Story!"**

*Every school has its own cast of characters weaving the fabric of its own Safety Story. As in the film Toy Story 4, Woody, Buzz, and Bo along with a host of others, welcome a new friend, Forky, and help him find his purpose. Our schools are composed of students/staff who are a host of likely characters with a variety of interests and talents. Remember the words of Buzz Lightyear, "The important thing is that we stick together." We ask that you join us across Kentucky, each and every school, as we embrace unity, kindness and empathy to enhance "Our Safety Story" ...'cause you got a friend in me.*
